Axis Bank with Cognizant Technology Services, Mobitrail and Tejora win Best HR System Project Award for 2015

- **Axis Enterprise HRMS Suite implemented to address increasing HR demands**
- **Axis Bank's solution provides a one-stop solution for critical HR functions**
- **Mobility initiative and behavioural analytics are key innovations in the project**

Hong Kong, April 15th 2015—Axis Bank and its technology partners Cognizant Technology, Mobitrail and Tejora have been named as winners for the **Best HR System** award 2015 during the ninth Asian Banker Technology Implementation Awards Programme. The awards ceremony was held in conjunction with the prestigious award winning Asian Banker Summit 2015, the foremost annual meeting for decision makers in the financial services industry in the Asia Pacific region, held at the Hong Kong Convention and Exhibition Centre, Hong Kong on April 15th 2015.

Axis Enterprise HRMS Suite implemented to address increasing HR demands

In order to address the wider spectrum of HR demands not just limited to on-boarding to superannuation, Axis bank adopted Oracle HRMS suite as a core application with functional wrap around to support additional / incremental facets of the HR governance, transformation and connect strategy.

Axis Bank's solution provides a one-stop solution for critical HR functions

It is a one-stop solution for accessing critical human resource functions such as attendance management, absence management, compensation, payroll information, learning management system, performance management system, reimbursements, employee business card/company directory, and emergency services such as hospital locator over mobile devices.

Mobility initiative and behavioural analytics are key innovations in the project

The bank implemented an innovative project that transformed the HR management within the bank and integrates multiple functions through a unified framework. Mobility initiative, incorporating behavioural analytics into HR and developing an employee portal are key touchpoints in the project. The bank extended HR services to a mobile platform compatible with Android and iOS based smart devices. It also developed an employee portal to enable all communications, information dissemination, group chats and showcasing of talent.

The awards programme, administered by The Asian Banker and refereed by prominent global bankers, IT consultants and academics, is the most prestigious of its kind. A stringent three month long evaluation process determined the winners from across Asia Pacific, Middle East and Africa. The winners were honoured at a gala event that recognised their efforts in using the best technology to run their institutions and bring superior products and services to their customers
